Where are they coming from?

We came from I.

WELCOME TO YOU!

You are in a heap of trouble!

Reckless driving, construction without a permit, and blatant color code violation.

O. YOU

If farts smell like flowers!

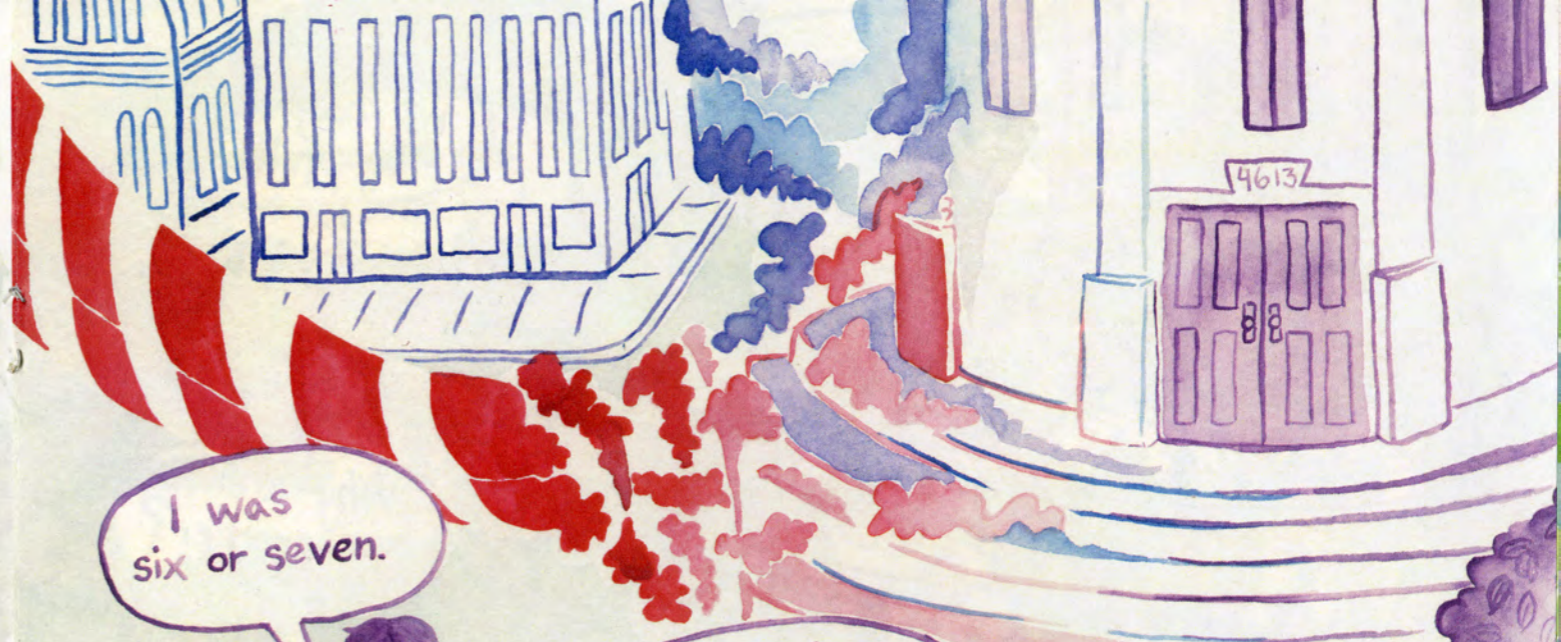

Haha!

I didn't do anything!

24

I remember when I first heard that.

You're all coming with me.

I was six or seven.

We had this delivery guy named Murphy...

...he looked kind of like a bull dog.

One day I asked him if everything in his truck was for me?

If farts smell like flowers!

HEY EVERYBODY!

25

THIS GIRL IS THE I!!!

WE KNOW

We thought she'd be prettier.

Why aren't you prettier?

Try harder in school...

...your future is at stake.

We notice when you haven't worked out.

Laziness leads to loneliness.

We love you! Sign our faces!

Get your life together!

Cupcakes are a sometimes food.

She isn't smiling.

You should smile more.

Let's see a smile!
